HOME DESCRIPTION

Under Construction. Welcome to your coastal oasis in the luxurious community of Winding Marsh, conveniently located in the heart of Ogden, off Middle Sound Loop. Picture this: a serene vibe with a dash of city perks right at your doorstep in Wilmington! This proposed new home by local homebuilder, Coastal Cypress Building Co seamlessly blends modern flair with a coastal twist. With 5 bedrooms, 5 full baths, and 3-car garage, the "Sanderling" floor plan is worth your undivided attention! A spacious living area opens seamlessly into the gourmet kitchen boasting high-quality appliances, full-overlay cabinetry, large island, and walk-in pantry to create the culinary masterpiece of your dreams. 1st floor features a large office or guest suite and primary bedroom complete with trey ceiling, stunning bathroom with a massive tiled walk-in shower, free-standing tub, and Pinterest-worthy oversized closet linking directly to the laundry room.Upstairs, you'll find a second primary suite with a cozy sitting area and a relaxing covered porch, plus two more bedrooms with their own private bathrooms.Don't overlook the ground floor with its massive storage space and 3-car garage. Expect top-notch finishes and quality craftsmanship, including Anderson 100 Fibrex composite windows, a Trane 15 SEER HVAC system, and a Tankless Rinnai water heaterOh, and the best part? You can still customize the interior selections to match your vibe, turning this into your own personal coastal haven.Ready to make dreams come true? Reach out to us today to set up your time to meet with the builder or schedule a time to come by and visit this dreamy community in person.
