DESCRIPTION

Introducing "Heart & Soul", the latest collaboration between Preston Development and Hudson Brothers' Builders in the newest phase of Beau Coast, The Peninsula. This home reflects the heart & soul that has been poured into every detail and will stand proudly overlooking Turner Creek! The reverse floor plan offers multiple maintenance free, composite decks, with which to enjoy breathtaking water views. Your ground level entry foyer elevator is perfect for assisting with groceries or luggage. The ground level bonus room and full bath is a great flex space for entertaining or providing a 5th bedroom if needed. The 2nd level features one of two owner suites (coffee bar, walk in shower, huge closet, screened porch access and fabulous views), two additional guest rooms with Jack n Jill bath and convenient laundry (including full size stacked washer/dryer and utility sink). The 3rd floor houses the 2nd owner suite if you prefer one level living, along with optimal water views from your deck
