HOME DESCRIPTION

COMING April 2026 | Meet the Remington Stick by Robuck Homes, a builder creating communities of significance since 1926.

Thoughtfully designed for modern downtown living, this brand-new home features a stunning designer kitchen with a freestanding gas range, expansive quartz island, tile backsplash, and under-cabinet lighting.

Step inside to a welcoming foyer with a versatile flex room, plus a private first-floor office with 8-foot French doors -- perfect for working from home. Enjoy 2.5 baths (including a powder room with pocket door), hard-surface flooring throughout -- even on the stairs -- and elevated finishes at every turn.

All bedrooms are located upstairs, while crown molding throughout, high-level tile in all bathrooms, and wood-ventilated closet shelving elevate the interior finishes.

Enjoy a private back court yard, off-street parking with a dedicated parking pad, and a walkable lifestyle just steps from the Soda Pop District and Brooklyn Arts District. A unique opportunity to own a brand-new home close to everything downtown Wilmington has to offer.
