HOME DESCRIPTION

MOVE-IN READY | \$10,000 BUILDER-PAID CLOSING COSTS

Welcome to the Remington Modern Farmhouse by builder Robuck Homes.

Upon entering the home, you're welcomed into a thoughtfully crafted foyer that seamlessly connects to the private office and powder room. This curated home features a designer kitchen with a freestanding gas Frigidaire range, soft-close cabinetry, a large quartz island with a farmhouse sink, tile backsplash, under-cabinet lighting, and a custom lighting package with elegant gold accents.

All bedrooms are located upstairs for added privacy, while crown molding throughout, high-level tile in all bathrooms, and wood-ventilated closet shelving elevate the interior finishes.

The exterior showcases an elevated front porch, fiber-cement siding with a brick walkway from the front sidewalk for timeless curb appeal. A classic brick fence with decorative vertical iron pickets above is a true showstopper. Enjoy a fully gated yard, off-street parking with a dedicated detached single-car garage, and a walkable lifestyle just minutes from the Soda Pop District and Brooklyn Arts District.

A truly unique opportunity to own a brand-new home in one of downtown Wilmington's fastest-growing areas.
