HOME DESCRIPTION

Space, flexibility, and a 0.6-acre cul-de-sac homesite, all in one.

The Telfair B offers a layout that stands out with room to live, work, and spread out. The main level features an open-concept kitchen with quartz countertops, stainless steel appliances, a large island with bar seating, and a walk-in pantry, all flowing into the main living space.

A flexible dining area and an additional main-level flex room give you multiple options for a home office, entertaining space, or everyday living.

Upstairs, the primary suite includes a tray ceiling and a well-appointed bath with dual vanities, a 5-foot shower, private water closet, and a large walk-in closet. Two additional bedrooms, a spacious loft, and a second flex room provide the kind of versatility that's hard to find.

Set on a .6-acre cul-de-sac lot, this home offers space, privacy, and room to actually use your outdoor space.

Located just 10 minutes from downtown Angier with convenient access to Raleigh, I-40, and I-95.
