HOME DESCRIPTION

The Lola has a thoughtfully designed layout where spacious living meets style. The heart of the home is an open-concept main level where the living room flows naturally into a dining area and kitchen. A great space perfect for relaxed evenings at home or lively gatherings with the people you love. The kitchen rises to every occasion, offering ample counter space, a functional layout and a large central island with seating. Just off the living room, step outside to a generous patio, perfect for grilling. Upstairs, three well-appointed bedrooms provide the comfort space. The primary bedroom features a private ensuite bath with dual vanities and a walk-in shower. Two additional bedrooms share a full bath with a shower/tub combination, offering flexibility for family, guests or whatever life brings your way.

Spacious. Stylish. Welcoming.
