## HOME DESCRIPTION

Attention Agents -- The Max at The Knoll at White Oak is Ready for Your Buyers

Your buyers have been waiting for this one. The Max is now debuting at The Knoll at White Oak in Garner, and it delivers exactly what today's buyers are searching for -- without the wait, the worry or the compromise of older construction.

From the moment you walk your clients through the door, The Max makes your job easy. Zero carpet throughout, quartz countertops in the kitchen and bathrooms, a 1-car garage and an open-concept main level that immediately feels like home. The living area, breakfast nook and kitchen flow together in a way that buyers don't just appreciate -- they feel it. This is the kind of layout that turns a showing into an offer.

The kitchen is a showstopper. Generous counter space and a central island create a natural gathering point that photographs beautifully and shows even better in person. Your buyers will picture themselves here before you finish the tour.

A spacious patio just off the main level adds valuable outdoor living space -- one of the most requested features among today's buyers and a detail that consistently pushes them from interested to committed.

Upstairs, two bedrooms plus a flexible loft give your buyers options. Home office? Guest suite? Playroom? The loft adapts to whatever life calls for. The primary suite offers a true retreat with a private en-suite bath, dual vanities and a walk-in shower. The second bedroom and loft share a well-appointed full bath.

Positioned close to shopping, dining, parks and major roadways, The Knoll at White Oak is a community your
