HOME DESCRIPTION

The Howard plan is a beautifully designed one-story home featuring three bedrooms and two bathrooms, perfectly situated on an over-an-acre homesite. Upon entering, a welcoming hallway leads into the open kitchen, eat-in area, and great room--ideal for both everyday living and entertaining. Tucked away at the back of the home, the private primary suite offers a spacious walk-in closet with convenient laundry pass-through access, along with a thoughtfully designed bathroom that includes a tiled walk-in shower with a built-in bench, linen closet, and separate water closet. A secondary bedroom and full bathroom are located just off the garage entry, making it ideal for guests or a home office, while a third bedroom is positioned at the front of the home for added flexibility and privacy.
