Homesite 5 offers over 1 acre for a custom residence, pool, and expansive outdoor living. This is one of 2 final opportunities in the neighborhood.

Positioned within a private, thoughtfully planned neighborhood, this homesite delivers a rare combination of privacy, scale, and convenience--just minutes from I-540, RDU, RTP, and North Raleigh's top shopping, dining, and medical amenities.

Surrounded by rolling terrain, mature natural buffers, and high-end custom homes, Homesite 5 is ideally suited for a luxury build with long-range views and generous setbacks. The property allows flexibility for drives, outdoor entertaining areas, and estate-style architecture, and no city taxes.
