HOME DESCRIPTION

Move-in ready with a wooded backdrop and cul-de-sac setting, this Barnwell offers three bedrooms and 2.5 baths on more than half an acre in Cambridge Reserve. The open main level connects the great room, dining area and kitchen, with a powder room and laundry area conveniently located downstairs. A covered patio provides outdoor living space overlooking the wooded backdrop. Upstairs, a central loft offers flexible space to work or relax and connects the primary suite with two secondary bedrooms. The primary suite includes a private bath and walk-in closet. A one-car garage and covered front porch complete this two-story home. Schedule a tour and ask about the earliest available closing date.
