HOME DESCRIPTION

Privacy meets practicality in this beautifully designed Meriwether. Nestled on a spacious 0.588-acre homesite backing to wooded wetlands, this three-bedroom home offers peaceful views, no rear neighbors, and the space to enjoy both indoor and outdoor living. Inside, the open-concept layout is designed for today's lifestyle, featuring luxury vinyl plank flooring, a dedicated home office with French doors, and a stylish kitchen with granite countertops, stainless steel appliances, abundant cabinet space, and a large center island overlooking the family room. Whether you're entertaining guests or enjoying a quiet evening at home, the seamless flow of the main living areas makes everyday living effortless. Upstairs, a versatile loft provides the perfect flex space for a media room, play area, or second living room. The spacious primary suite offers a private retreat with a large walk-in closet and well-appointed bath, while two additional bedrooms provide room for family and guests. An extended patio overlooks the natural wooded backdrop, creating the ideal spot for morning coffee or unwinding after a long day. Complete with a two-car garage, smart home features, and thoughtful upgrades throughout, this home delivers the perfect combination of comfort, functionality, and privacy. Conveniently located in Cambridge Reserve, just minutes from downtown Angier and an easy commute to Raleigh, I-40, and I-95.
